Ergoline

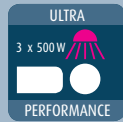

HIGHLIGHTS

AFFINITY 500 TURBO POWER

STANDARD EQUIPMENT

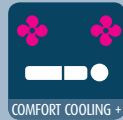

The Affinity 500 features Turbo Power Tanning Performance for guaranteed results from every session.

Ultra Performance Technology will achieve beautiful results in the facial tanning area.

The new LED interior light emphasizes the features in the tanning tunnel. The brightly illuminated tanning tunnel ensures a hygienic appeal and is a particularly enticing invitation to tan.

Comfort Cooling Plus ensures a tanning session in total comfort, directing cool air to the body and face for the perfect temperature.

OPTIONAL

Optional Shoulder Tanners will ensure your customers are bronzed and beautiful from every angle.

Our 3D-Sound System is second to none and consists of two speakers, a subwoofer, an SD card slot and MP3 dock.

Connect an MP3 Player or a smart phone to enjoy your own music during the tanning session. The Auto Play function will recognize the connection automatically.

Voice Guide navigation will walk users through each step of a session as they navigate using the control panel.
