HIGHLIGHTS
INSPIRATION 600
DYNAMIC PERFORMANCE

STANDARD FEATURES

- DYNAMIC**

Dimmable electronic ballasts guarantee an even and increased UV-output over the entire lamp life up to 1,000 hours.
- PERFORMANCE**

Ultra Performance Plus technology with glass reflectors includes UV-B spaghetti lamps and special filters. It is the most advanced facial system on the market today.
- ULTRA**

High quality performance LED's guarantee impressive color brilliance with more than 200 colors and light effects. It features up to 80% energy savings and an operating life of more than 30,000 hours.
- LED LIGHT SHOW**

The new LED interior light emphasizes the features in the tanning tunnel. The brightly illuminated tanning tunnel appears particularly hygienic and invites your customers to tan.
- INTERIOR LIGHT**

Our ergonomically designed base acrylic Bodyform Plus will give you comfort second to none during your tanning session.
- BODYFORM PLUS**

Comfort Cooling PLUS wraps your body and face in a pleasant flow of cooling air. The ventilation for face and body automatically ensures the right climate.
- COMFORT COOLING+**

The new Air Condition PLUS cools the base acrylic and promises an overall refreshing feeling during the tanning session.
- AIR CONDITION +**

With NFC Connect various comfort settings can be saved on a customer card – all individual preferences are already set for the next visit. It's simple!
- NFC CONNECT**

Our 3D Sound System will bathe you in a sumptuous sea of sound as you tan. The system consists of two speakers, a subwoofer, and an SD card slot and MP3 connection.
- 3D SOUND**

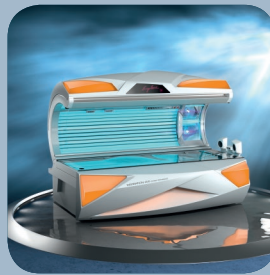

With this function you can connect a MP3 player or a smartphone to enjoy your own music during the session. The Auto Play function will recognize the connection automatically.
- MP3 AUX**

Voice Guide walks you through every step in a pleasant, friendly voice as you control the tanning bed.
- VOICE GUIDE**
